EXPRESSION OF INTEREST

Ours is a Government of Karnataka undertaking engaged in the manufacture & sale of Writing / Printing Paper, Newsprint and Sugar. We have totally four Paper Machines installed at our factory. Our total Paper production capacity is around 400 Tonnes per day. We require about 36,000 BDMT of Bleached Hard Wood Chemical Pulp either in Wet Lapped or Dry Form for manufacture of Writing/Printing Paper for a period of one year from indigenous manufactures.

Those who are manufacturers and have capability to manufacture/supply the above Pulp may please send their willingness to supply the pulp to the undersigned. The Manufacturers are also required to furnish the various details like their Production capacity, variety of pulp they are willing to supply, quantity that can be dispatched every day, specifications of their Pulp, Bale size/dimensions and other relevant information. Pricing can be mutually discussed and agreed once in a quarter or once in 2 months.

The last date for receipt of expression of interest is 10.04.2010.
