3) Corrigendum No. 2 vide FMT/9524/DSI/2016-17 dt. 17.02.2017

Further to above based on the request from tenderers to indicate the method of billing, the following clarifications on the mode of billing is furnished for the information of tenderers.

DRAFT INVOICES TO BE RAISED ON PULP BUYERS.				
For Bleached Softwood Sulphate Pulp				
THE MYSORE PAPER MILLS LIMITED , BHADRAVATHI				
		Qty in MT	Rate	Amount
1	Bleached Softwood Sulphate Pulp -(Let Basic Price be 'B' per MT quoted by buyers and "A' be the quantity in MT lifted.)	A	B	AB
2	Add CVD			1447296
3	Add SAD			1025871
4	Total (SI 1+2+3)			C= (AB +2473167)
5	Add CST at 2% (0.02xSI 4)			D=0.02(XY+2473167)
6	Total Bill amount (SI 4+5)			E=(C+D)
<p>Note: 1) In case of selling with in Karnataka, VAT at 5.5% will be calculated instead of 2% CST in above example. 2): MPM has imported Bleached Soft Wood Sulphate Pulp on ADMT basis. Present stock is 473.883 ADMT (or 2054.53 bales) for which the CVD works out to Rs. 1447296 and SAD works out to Rs. 1025871 totaling to Rs. 2473167/- which will be included in the invoice. The tender is on as is where is basis and disposal will be on MT basis. Estimated quantity indicated in the tender is 475 MT. Actual quantity in MT will vary based on moisture content at the time of dispatch. However MPM will not be analyzing the moisture content but will arrive at ADMT weight based on No. of bales. Delivery challan will be issued on day to day basis and in the end one invoice will be raised with above calculations. In case of part quantity ordered, the same will again be done based on the no. of bales proportionately and CVD and SAD will be distributed proportionately among the buyers</p>				

Please take note of the above and participate in the tender.
